Tutoring Experience

For the past decade, I've worked extensively with students from top international schools in Dubai, Singapore, and Mumbai, guiding them through the complexities of IB Business Management and Economics. My students have consistently achieved strong results in their exams, particularly in IB assessments, where I've helped numerous learners secure top marks.

I've also supported students in A-Level Economics, offering tailored tutoring that focuses on developing analytical and critical thinking skills. My sessions are designed to meet each student's unique needs, ensuring they are fully prepared for their coursework, internal assessments, and final exams.
