Tutoring Experience

For the past five years, I've worked with students from diverse backgrounds, specialising in IB English Language and Literature. My tutoring has enabled students to improve their exam results and gain confidence in their literary skills. I focus on helping them understand key themes, develop arguments, and prepare for written and oral assessments.

I've also supported students in A-Level and IGCSE English, guiding them through coursework and exam preparation. I tailor each session to individual needs, ensuring that students not only achieve academic success but also enjoy exploring literature in depth. My experience with international students has equipped me to adapt to various learning styles, ensuring positive outcomes.
