Tutoring Experience

I've been teaching English for the past 5 years, working with students from various curriculums, including IB, A-Level, and IGCSE. My experience spans helping students develop their essay writing, textual analysis, and critical thinking skills, ensuring they are well-prepared for their exams.

In addition to school-level tutoring, I've also assisted students in preparing for English-related university admissions tests. Many of my students have progressed to top-tier universities, reflecting the strong foundation they developed during our sessions.
