## Tutoring Experience

I have spent 8 years teaching IB and A-Level Biology to students from diverse educational backgrounds. My tutoring experience covers core biology topics like genetics, ecology, and cellular biology, helping students develop a deep understanding of the subject and excel in their exams.

I have also guided students through IGCSE and AP Biology, ensuring they gain the necessary skills to succeed in both their coursework and external exams. Many of my students have gone on to pursue higher education in biology and related fields, equipped with the knowledge and confidence to excel academically.
